rating, and has given at least 100 hours of ground training in an FAA-approved course.

- (2) Except for an instructor who meets the requirements of paragraph (h)(3)(ii) of this section, a flight instructor who provides training to an initial applicant for a flight instructor certificate must—
- (i) Meet the eligibility requirements prescribed in §61.183 of this part;
- (ii) Hold the appropriate flight instructor certificate and rating;
- (iii) Have held a flight instructor certificate for at least 24 months;
- (iv) For training in preparation for an airplane, rotorcraft, or powered-lift rating, have given at least 200 hours of flight training as a flight instructor; and
- (v) For training in preparation for a glider rating, have given at least 80 hours of flight training as a flight instructor.
- (3) A flight instructor who serves as a flight instructor in an FAA-approved course for the issuance of a flight instructor rating must hold a flight instructor certificate with the appropriate rating and pass the required initial and recurrent flight instructor proficiency tests, in accordance with the requirements of the part under which the FAA-approved course is conducted, and must—
- (i) Meet the requirements of paragraph (h)(2) of this section; or
- (ii) Have trained and endorsed at least five applicants for a practical test for a pilot certificate, flight instructor certificate, ground instructor certificate, or an additional rating, and at least 80 percent of those applicants passed that test on their first attempt; and
- (A) Given at least 400 hours of flight training as a flight instructor for training in an airplane, a rotorcraft, or for a powered-lift rating; or
- (B) Given at least 100 hours of flight training as a flight instructor, for training in a glider rating.
- (i) Prohibition against self-endorsements. A flight instructor shall not make any self-endorsement for a certificate, rating, flight review, authorization, operating privilege, practical test, or knowledge test that is required by this part.

- (j) Additional qualifications required to give training in Category II or Category III operations. A flight instructor may not give training in Category II or Category III operations unless the flight instructor has been trained and tested in Category II or Category III operations, pursuant to §61.67 or §61.68 of this part, as applicable.
- (k) Training for night vision goggle operations. A flight instructor may not conduct training for night vision goggle operations unless the flight instructor:
- (1) Has a pilot and flight instructor certificate with the applicable category and class rating for the training;
- (2) If appropriate, has a type rating on his or her pilot certificate for the aircraft:
- (3) Is pilot in command qualified for night vision goggle operations, in accordance with §61.31(k);
- (4) Has logged 100 night vision goggle operations as the sole manipulator of the controls:
- (5) Has logged 20 night vision goggle operations as the sole manipulator of the controls in the category and class, and type of aircraft, if aircraft class and type is appropriate, that the training will be given in;
- (6) Is qualified to act as pilot in command in night vision goggle operations under §61.57(f) or (g); and
- (7) Has a logbook endorsement from an FAA Aviation Safety Inspector or a person who is authorized by the FAA to provide that logbook endorsement that states the flight instructor is authorized to perform the night vision goggle pilot in command qualification and recent flight experience requirements under §61.31(k) and §61.57(f) and (g).
- (1) Training on control and maneuvering an aircraft solely by reference to the instruments. A flight instructor may conduct flight training on control and maneuvering an airplane solely by reference to the flight instruments, provided the flight instructor—
- (1) Holds a flight instructor certificate with the applicable category and class rating; or
- (2) Holds an instrument rating appropriate to the aircraft used for the training on his or her flight instructor certificate, and holds a commercial pilot certificate or airline transport
